*"Charles came to our corporate conference to entertain our clients with fire-side ghost stories. His ability to engage the audience and keep them captivated was astounding. Feedback from our clients has been nothing but positive; everyone loved the levity Charles' stories brought to the evening. And who could ever forget the \*scrape, THUD\* of the coffin? Thanks Charles for a great evening!"*

Tiffany Pierce, Jamis Accounting Software  
Annual User Conference  
Catamaran Resort

*"For two years now, Charles has provided entertaining songs and stories around the campfire for hundreds of children. He brings that extra special something to make our campfires fun and entertaining, going the extra mile to make sure everyone is having a great time."*

Annie Ransom, City of Poway  
Lake Poway Family Campout
